# Alma Mater

(Words and Music by Daniel L. Rideout, Sr.)

I

To Thee, Dear Alma Mater,  
We raise our grateful song,  
For through thy noble teachings  
Thou hast made thy children strong;  
And thousands still shall praise thee.  
All earth shall hear their swell,  
And bind our hearts yet closer  
To thee we love so well.

II

We love thy spacious campus,  
We love thy tow'ring halls  
And hallow'd are the lessons  
We've learn'd within thy walls.  
Stand thou forever glorious,  
Full-rob'd in living green;  
Shine thou in endless splendor  
Beneath thy trees serene.

## Refrain

Maryland, Maryland, home of Maroon and  
Gray,  
Maryland, Maryland, thee we will love  
always.  
All hail to thee, fair Maryland,  
All Glory be to thee!  
Grow thou in strength and honor  
Through all eternity!

Through the towering halls of UMES can be seen the horizon of a new era. It is very evident that both a mental and physical environment is the nucleus which is ushering in an era of bright, young academicians who are seeking answers to questions and problems that confronted great scholars of the past.

The physical and social growth experienced on our campus is constantly progressing as is evident in this picture.

We, the student body share with you various experiences which will be forever cherished in our repertoire of memories reflecting upon this our beloved institution - UMES.

# Dedication

*Vernen "Skip" McCain  
Assistant Professor of Mathematics*

To an illustrious person whose devotion and enthusiasm is that of a friend, a teacher, a coach, a companion, and a Christian. "Skip" McCain is worthy of emulation, by every student boy or girl - man or woman.

We dedicate this book to him because of his 28 years of work here as winning coach, a teacher of mathematics and one who realizes in his innermost heart that each individual is here in this world for a purpose. Through his involvement in the classrooms and the community he works to help each individual use his highest abilities and endeavors toward making this world a happier and better place in which to live.

Mr. McCain lives the philosophy of brotherhood and cultivates in others the capacity to see and enjoy the finest in life.

We further dedicate this book to "Skip," because he tries to unlock each small heart with keys of kindness, with loving care, with patient guidance, with faith and understanding, with sympathy and love, and as an educator with unselfish courage and loyalty to an idea.

# McCain, John Sample Cited by Pigskinners

Coch John Sample and Hawk  
hallback John McCain shared the  
spotlight with Cal Jones, University  
of Iowa All-American and other  
notables at the 18th Annual Ban-  
quet of the Washington, D.C. Pig-  
skin Club.

The principal speaker, United  
States Senator Paul Douglas, re-  
viewed the contributions to Ameri-  
can society and athletics by such  
stalwarts as Jackie Robinson, Roy  
Campanella, Duke Slater, Sugar  
Ray Robinson and others. He point-  
ed out that one distinction of the  
athlete is that "he is judged on per-  
formance alone." When in competi-  
tion, the great athlete is not vitally  
concerned with who you are, but  
he is concerned with what you can  
do.

Awards were granted to: Coach  
Vernon McCain, selected as the  
outstanding collegiate coach of the  
year; John Sample, outstanding  
player of the year in the CIAA;  
Calvin Jones of Iowa, National Col-  
legiate Lineman of the Year; How-  
ard (Hop-a-long) Cassady of Ohio  
State as the National Collegiate  
Back of the Year.

Frank Fay Young received a cita-  
tion for his 40 years of service as a  
sports writer. Gold footballs were  
awarded to members of the District  
of Columbia "All-High" football  
team.

University of Maryland Assistant  
Coach Tommy Mont accepted a  
plaque for Coach Jim Tatum who  
was unable to attend the banquet  
because the plane he planned  
to board for transportation was  
grounded.

Receiving dedicated services award.

Athletic Director

At home with wife.

The University of Maryland  
Eastern Shore is in the  
process of moving on . . .

. . . In many ways . . .

... And to  
many places.

Often we stop  
to hang around —

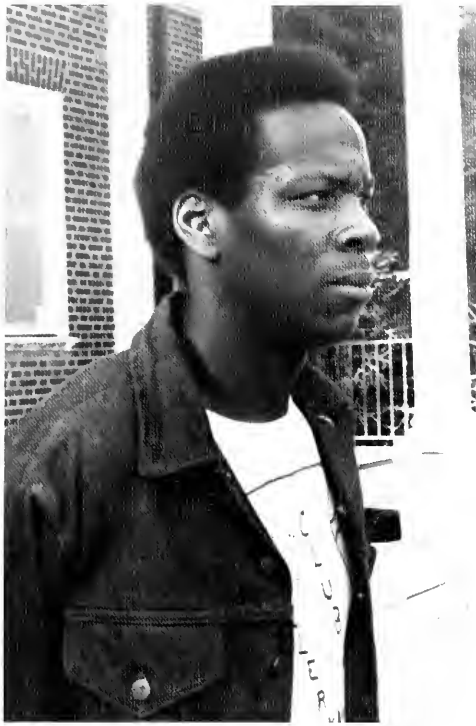

*Or take time out  
to get involved.*

*But move on!  
There're minds to be freed,  
and knowledge to be gained . . .*

We, the student body at UMS, have entered this institution to receive instruction and training in various fields of study. We have found here, the conditions necessary for a true and beneficial education.

We, feel that the faculty and administration have exemplified standards in scholarship, character, and virtue. They have pledged themselves to the task of allowing no student to make the transition from freshman to senior without having been exposed to new ideology.

Many of the persons within the constituencies have served both long and short terms, but we feel that they have above all served well.

CHARLIE PERREY

*Dr. William P. Hytche*

The greatest man is he who chooses the right with invincible resolution, who resists the sorest temptations from within and without, who bears the heaviest burdens cheerfully, who is calmest in storms and most fearless under menace and frowns, whose reliance on truth, on virtue, on God, is most unflinching.

So it is with Dr. William P. Hytche, the man asked to lead the University through a most uncertain but, promising year.

The National Theatre Company's 'Feelin' Good' is a musical tribute to the black entertainer in America. The musical revue spans the decades from minstrel tunes of the 19th century to today's rock'n roll explosion.

## *Harlem Hey Day*

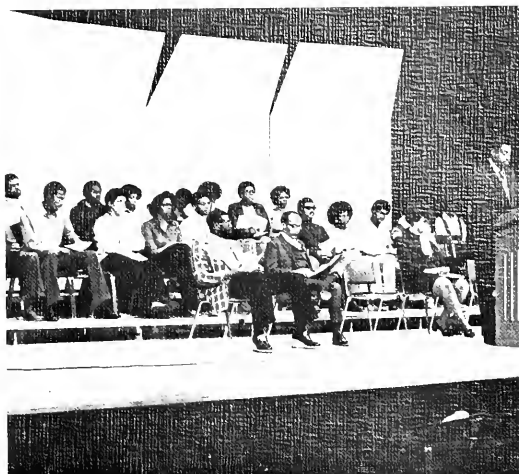

"Harlem HeyDay" is a two hour musical revue and comedy act that goes back to the exciting vaudeville theatre days of the 1920's, the era that saw over 12 million dollars flowing yearly in and out of Harlem through scores of night spots.

The story is re-lived through the memories of an old-time star. It is sound of Fats Waller, W. C. Handy, Noble Sissle, Chris Jones, Duke Ellington, and others. Through the memories of the old-time star you will see exciting scenes of a time that is gone, but not forgotten.

If I Had the Time

William Hytche

Willie Robinson

If I had the time to find a place  
And sit me down full face to face  
With my better self, that stand no  
show  
In my daily life that rushes so,  
It might be then I would see my soul  
Was stumbling still toward the shin-  
ing goal  
I might be nerved by the thought  
sublime,  
If I had the time!

Thomas Wiles

If I had the time to learn from you  
How much for comfort my word would  
do;  
And I told you then of my sudden  
will  
To kiss your feet when I did you ill  
If the tears aback of the bravado  
Could force their way and let you  
know  
Brothers, the soul of us all would  
chime,  
If we had the time!
